

HERE'S the POINT

By SPENCE HELD

One sports writer reported that John Dawson tossed in the final two points that gave Point Loma High School a sensational victory over La Jolla, but another declared that Frank Rogers was the hero with two free throws that decided the issue.

As the final arbiter, I now will award the honor to Dawson.

With the local team trailing, 37-36, and only a few seconds to play last Friday night, John Dawson looped his two free shots through the basket and several hundred Point Loma students went slightly insane.

Yeah, you might say the gym rocked with the racket.

It's been a rough season for the Pointers, and the victory over traditional rival La Jolla, one of the City League leaders, was indeed something to warm the cold, cold hearts of the local fans.

Coach Hil Crosthwaite had the boys primed; their rugged defense was effective, and their shooting good enough to win.

It's quite a jump from basketball to chess, but I'm making it. Basketball has changed somewhat since I was a dew-eyed youth; in chess, you could substitute ducks and drakes for kings and pawns and I'd never know the difference. Even checkers is too intellectual for me.

However, it seems that the Point Loma Chess Club recently knocked off Chula Vista in a double round robin match totaling 16 games. Score: Point Loma 9½; Chula Vista 6½.

This took place at the home of Dudley Hosea, 679 Rosecrans St. Representing Point Loma were James McClellan, Dave Andre, Dr. L. Dean Gibson, R. J. Gardner, Claire Cunningham, Donald Potts, Douglas Duke and Hosea, the host.

The club is looking for new members "who are interested in chess both seriously and for recreation."

Dr. Elliott G. Colby, of 3733 Amoryllis Dr., has been elected president of the San Diego County Area Camp Fire Girls Council.

I can't think of a better man for the post. Dr. Colby and his wife, Maria, have been keenly interested in the Camp Fire Girls for many years; they've devoted a great deal of time and intelligent effort to them.

And that brings us to the new Ocean Beach Kiwanis Youth Center.

I attended its dedication Sunday and inspected the premises. The Kiwanians really done a job there. The building is clean, modern and spotless inside—it was spotless, that is, until a cup of coffee drenched me and the floor.

Well, Harry Masters quickly swabbed the deck, and the only damage was to my dignity. President Frank Swan and the rest of the Kiwanians rate the thanks of the community for providing such fine quarters for Boy Scouts and other youth groups.

You can say that again, S. H.

MRS. MARY FAY IS CANDIDATE FOR RE-ELECTION TO BOARD

San Diego City Schools cannot maintain the reputation as one of the best school systems in the nation, unless the curriculum is constantly revised to meet the problems of growth, according to Mrs. Mary Fay, seeking reelection to the Board of Education.

Mrs. Fay said, "San Diego's educational program must stay abreast of the times in order to insure the continued progress of our school system."

Mrs. Fay, a member of the Board of Education for 16 years, pointed out that San Diego is one of the emergency spots of the nation. She stressed the importance of reducing teacher loads. She said it is most vital for children in the first three grades to attend smaller classes, since these are the years when the children's basic learning and behavior patterns are formed.

"It is essential that each child get a good start—a sound basis for further learning, and the ability to deal effectively with his companions," Mrs. Fay said. Mrs. Fay firmly believes double sessions must be avoided at all costs. At the present time half-day sessions are being held at Perry School, Bayview Hills, and Lincoln High School; which is sharing its campus with Gompers Junior High until new buildings are ready for use next fall. Mrs. Fay emphasized that these half-day sessions are temporary emergency measures, which will be discontinued as soon as portable buildings are moved on site, and new construction is completed.

Funeral Services For Linda Davis

Funeral services for Linda L. Davis, 4, daughter of Mr. and Mrs. John W. Davis, of 2255 Wolcott St., were held yesterday at Greenwood Mortuary. Burial was in Greenwood Memorial Park.

The little girl died Sunday in Naval Hospital of burns received in her home Feb. 4 when her clothing was set afire by a cigarette lighter. Her father was asleep and her mother was at the home of a neighbor. He was awakened by the child's screams and beat out the flames enveloping her.

DAVIS, KRANTZ PACE BOWLERS WITH HIGH SCORES LAST WEEK

High scores were the thing in Peninsula bowling last week. A 266 game was rolled by Pete Davis and Homer Krantz checked in with 256.

Davis rolled his tally while pacing the Kraft Drug team to a 991 game and 2566 series. Tony Pandza was high with a three-game score of 602. Giving Pete fine support were Dick "Lucky" Johnston, Chris Stavros, Bert Stratton and Charlie Hyatt. Hyatt rolled 206 twice. His third game was 175 for a 587 series.

Krantz's big 256 game was bowled in the Tuesday 800 circuit. Home Appliance took three while Elm's dropped one. These teams are now deadlocked for the league lead.

Krantz had the high series of 593. Elm's at 928 and Home Appliance with 2506 made the best team efforts.

In Mixed Trio competition the Beach Comber and ABC Bowling Shop are tied for the lead. The Beach Combers tallied a 530 game and 1396 series. Lou Valers of the Mad Caps had 191 and 535 while Myrt Schroeder tolled 207 and 483. Vivian Pearce still leads the women with the season's high scores of 208 and 556.

Pete Davis made news with a 218 in the Monday Mixups circuit as Tony's Cafe, including him, bowled 867 and 2487. Charlie Eliopoulos tossed the high individual total of 583. Rustie Near rolled a 186 game and Ruth Allen had a 509 series. Korner Malt holds a 5½ game lead in this league.

Angler's Bait and Tackle leads the Wednesday league by 10 games. Villano's Cafe and Blue Pacific are staging a close battle for second place. High team scores last week were Team 3's 790 and 2255.

Bob Godwin of Team 3 had 224 and 571. Minnie Maguire, also of Team 3, rolled 167. Virginia Fulton of the league-leading quintet, tallied 439. Godwin's three-game total is a new season high.

In Junior league competition Butch Ohlin rolled 190-178-137 for 505. Rolland Beasdale shot 162 and Wayne Wittenberg came up with 153.

Bicycle Safety Program Started At Loma Portal

In an effort to reduce the number of bicycle accidents involving school-age children, the San Diego Police Department this week began its program of instruction for bicycle safety at Loma Portal school.

Officer Simon Bolger, with the help of Loma Portal PTA mothers, is instructing the children on rules for safe bicycling, inspecting bicycles and conducting riding skill tests. A film will be shown and written examinations given at the end of the week.

The riding skill and written tests will be required for all 4th, 5th and 6th grade children who ride their bikes to school. Several Girl Scout troops will use this project as part of their requirements for the Cyclist Badge.

Surging Lomans Play Lincoln Friday Night

Point Loma High School's basketball team, now on the upsurge, is scheduled to play Lincoln at the Hoover High gym tomorrow night.

The locals lost a non-league game to St. Augustine, 52-43, in the Pointer gym Tuesday night. John Cunningham scored 21 points for the winners.

Point Loma made a fight of it all the way but their shots weren't hitting the basket. Also, the shorter Pointers had a hard time guarding the elongated Cunningham. Frank Rogers led the Pointers in scoring with 11.

It was a different story last Friday night when Point Loma upset the highly-touted La Jolla Vikings, 38-37 in the local gym.

Paul David, Fred Jones, Bill Harvey, John Dawson and Frank Rogers, playing as a smooth-working unit, smothered the visitors' offense during much of the game and made enough shots count to pull out a victory.

Rogers was high-point man with 14 and Dawson applied the clincher with two free throws through the netting in the final seconds as a crowd-stirring climax.

MURDER TRIAL OF O. B. MAN NEARS ITS END

Trial of Frank F. Mazza, 41, of Ocean Beach, on a murder charge in connection with the hit-and-run auto death of Mrs. Emma Orr, 37, continued in Superior Court yesterday with indications the case would go to the jury today or tomorrow.

Mrs. Orr was struck by an auto in a vacant lot in East San Diego last August as she fled from a "masher" who had tried persistently to pick her up.

Mazza, a tailor, did not take the stand in his own defense. His wife and daughters testified in his behalf as "alibi witnesses." Howard A. Pentoney, Ocean Beach attorney, has conducted the defense.

ALL STAR BASKETBALL TEAM TO PLAY HERE NEXT WEEK

Here to help San Diego raise its quota to send American athletes to the Olympic Games in Melbourne in 1956, the Armed Forces All Star Basketball team will play Grubba Buick, National A.A.U. runner-up last year, on Feb. 24 and 25 at Point Loma High gym at 8 p.m.

The Olympic Fund benefit game will also precede selection of seven men from each team to represent the U. S. in the Pan American Games in Mexico City, March 12-20.

The Armed Forces squad is made up of the outstanding Army, Air Force, Navy and Marine Corps players in the country and is coached by Norm Pilgrim, who played at Oklahoma A. and M. under Hank Iba. The All Stars won eight of their first ten starts and are just beginning to gather momentum as a unit.

Two former Kansas University greats from the 1952 team that made up half of the United States Olympic cage squad, Robert Kenny, forward, and Dean Kelly, guard, are starters. Kenny distinguished himself in the Olympics by scoring six of the United States' meagre 36 points in defeating Russia in the finals. Kelly made All American and was twice an All-NCAA tournament choice.

John Clune, a six-foot, three forward who made the Helms Foundation All American in 1954 while playing at the Naval Academy, is another standout forward, as is Cecil Silas, six-foot-six, a former All Southeast Conference player from Georgia Tech and one of the 1954 Phillips Oilers. Walter Walowac, NAIA All American from Marshall College, is another crack guard as is Alva Wilfong, All Big Seven star from Missouri.

Centers are Robert Williams, six-foot-six Florida A. and M. alumnus who was a unanimous All Air Force selection the last two years, and Donald Byrd, 6-4, All-Army player for two years from Cleveland. Jack Williams, two-year All Southern Conference from Wake Forest, James Paxson, 6-6, formerly of Dayton University, and Donald Lance, 6-4, also All Southern Conference while at Rice, are other forwards. Duane Morrison, from South Carolina University, is another guard.

All proceeds from the games will go to the Olympic Fund. Tickets are now on sale at downtown sporting goods stores, at the City Park and Recreation Department and at the City Aquatics offices of Santa Clara Point.

Pt. Loma Democrats To Hear Candidates

Charles Dail, Harry Foster, Jerry Rudrauff and other candidates for mayor will address a meeting of the Point Loma Democratic Club at 8 p.m. Tuesday, Feb. 22, at the home of Mr. and Mrs. Manuel Haffner, 803 Tarento Dr.

Following the presentations by the candidates, there will be an open forum-type question and answer period. Refreshments will be served, and all interested citizens are invited.

According to Myron Lustig, club president, this is one of a series of such meetings. The January meeting hosted candidates for Board of Education posts.

The March meeting will hear those candidates for City Council who have, by that time, succeeded in primaries in gaining places on the general election ballot.

RUDRAUFF SAYS HE WOULD GET NEW INDUSTRY

"New industry just doesn't come to a city, we have to go out and get it by offering more inducements than other communities," Jerry Rudrauff, candidate for mayor, told the Mission Bay Democratic Club at Crown Point Elementary School Monday night.

"Taxes being what they are and our industrial situation being based mostly on aircraft, industrial expansion into other fields and harbor development are the only solution to more jobs, greater prosperity and lower taxes for San Diego."

Honors Courses Planned At Pt. Loma High

Honors courses for students of outstanding scholastic ability will be established at Point Loma High and the six other city high schools next fall under a new experimental program which has been approved by the Board of Education.

The courses will be available only to 12th grade students who meet specified scholastic achievement requirements and will be offered in five academic fields. These are English, social studies, chemistry, physics and mathematics.

Superintendent Ralph Dailard, in describing the honors courses, mentioned three anticipated results.

First, superior students will be given an enriched study program and will be provided a real challenge to their ability, Dr. Dailard said.

Second, it is believed that the program will result in possible acceleration for students at the college level. If the courses prove as successful as hoped, Dr. Dailard added that it seems probable that colleges may accept them as meeting requirements for certain freshman courses.

Finally, the honors program will help to provide recognition for outstanding scholastic achievement in the same manner that recognition is received for athletic, musical or dramatic achievement.

High schools will begin immediately to schedule the new courses for next fall, develop study materials and select teachers.

Kiwanis Youth Center Called 'Job Well Done'

"This is a job well done," said Harold Heimbach, governor of the California-Nevada district, Kiwanis International, in dedicating the new Ocean Beach Kiwanis Youth Center last Sunday afternoon.

Heimbach said the Kiwanis motto is "We Build", and pointed out that completion of the well-equipped building at Santa Monica Ave. and Ebers St. culminates four years of work by the Ocean Beach Kiwanis Club.

He stressed that such a building providing a gathering place for Boy Scouts and other youth groups, will help build character and combat juvenile delinquency. The dedication was held outside the building. Dr. Winton B. Oster, master of ceremonies, introduced Russell Wilson, chairman of the ways and means committee for the building, who presented a bronze plaque.

Two Eagle Scouts, David Harvey and Mike Neville, accepted the plaque in behalf of the O. B. Kiwanis Club.

The plaque, a gift from Wilson, is inscribed with the date of dedication "to the youth of this community." The inscription expresses the club's "great appreciation to all those who, through their generous gifts of money, material and time, helped make this building possible."

Harry Masters outlined the history of the project. He told the crowd of parents, Scouts and

others that Scout activities have first priority for use of the building. Next come other youth activities, with adults third on the list.

In 1951 the Kiwanis Club bought the lots for the site. Later a building was moved from Camp Callan and the long job of rehabilitation was undertaken, Masters recalled. He introduced five past presidents—Jack Stevenson, Jim Noel, John Wood, George Claspill and Harold Thoma—under whom the work was continued.

President Frank Swan saw the job completed. He spoke briefly Sunday, pointing out that "within four blocks of here there are 11 schools and churches."

Swan thanked several visiting Kiwanian dignitaries for their attendance, as well as City and County officials. Those who spoke briefly included Councilman Clair Burgener, City Manager O. W. Campbell, County Supervisor Frank Gibson, O. W. Todd Jr., Kiwanis Lt. Gov., Div. 11, and Dan Turner, Lt. Gov., Div. 21.

H. Park Arnold, international trustee, gave the dedicatory prayer.

De Molay Degree To Be Conferred

The De Molay degree will be conferred tomorrow at 8 p.m. in the Masonic Temple, 350 Cedar St., by a composite team of officers selected from chapters in the San Diego area, according to Steve Sulek, advisor to Point Loma Chapter. Master Masons are invited.

From 35 to 40 officers are picked to fill the various stations in this degree, he said.

In ceremonies held by the Point Loma Chapter Monday, 10 young men received their initiatory degree, as follows:

Edward A. Cherlin, Robert J. Dunne, Michael W. Elkins, Allan B. Rascon, Kent W. Textor, Terry A. Luellin, Keith C. Schweizer, Scott M. Smith, Paul C. Ward and David Black.

This is De Molay Week throughout California, proclaimed to encourage boys of 14 and up to avail themselves of the opportunities offered by the Order, Sulek said.

SPORTFISHING TOPS FOR RED COD, GROUPERS

Apparently the sky is the limit, insofar as the San Diego deep sea fishing improvement potential is concerned, for the catches of bottom fishermen soared steadily upward this week in spite of the fact that they had been considered super-colossal right along.

For example, sportfishing boats kept the daily take of red cod and groupers hovering around the 1000 mark most of the week, then stepped on the gas last Saturday to run the day's count to 1507, with the high boat accounting for 463. That represented full limits for all hands aboard.

Among anglers from the Point Loma-Ocean Beach district who accounted for exceptionally fine all-around catches were: Jackie Ray, C. M. Busey, John and Arlene Daniels, Wyatt Hames, R. S. Watters, O. F. Meyers, Ernie Bryant, and Major Harry Halladay.

While bottom fishermen were making the scales fly, members of the Junior Chamber of Commerce's Yellowtail Derby Committee, headed by George Perkins, and officials of the H. & M. Sportfishers and the Point Loma Sportfishing Association went to work on plans for the ninth annual renewal of the fishing classic.

Ocean Beach Junior Women's Club which has been devoting its club year to the problem of Mental Health, had Irving R. Stone, Psychologist with the Mental Hygiene Clinic in San Diego, as a principle speaker at the February 7 meeting. Mr. Stone brought to the group the dramatic fact that mental difficulties are now the nation's number one health problem. "Fifty-two percent of all hospital beds are occupied by mental patients in our country," stated Mr. Stone. The speaker elaborated on the long waiting periods for treatment faced by a patient, and the crowded conditions handicapping those who work in mental hospitals and clinics today. Symptoms of mental diseases were clarified, and the benefits of early treatment described for the club members by Mr. Stone. A question and answer period followed the talk.

Mental Hygiene Association, a voluntary group working in the San Diego area on the mental health problem. Mrs. Jack Ritt-off, president of the Association, and Edgar N. Brown, secretary, answered the club members questions about the Association's efforts in legislature on mental health and public education on the needs of mental health facilities. The speakers were introduced by Mrs. Arthur Attebery, Mental Hygiene chairman for the Ocean Beach Juniors. Mrs. George Schwegel, president of the Juniors, conducted the business meeting.

WHEN IS YOUR BIRTHDAY?

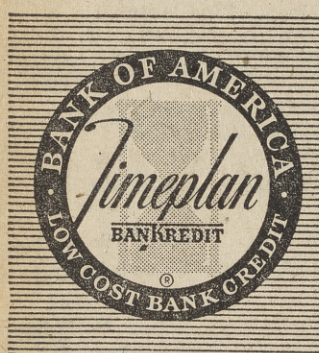

The fact that two famous presidents were born in February reminds us that lately some of our friends have been opening "birthday" saving accounts—either for themselves or a member of the family. The idea is to save a certain amount each week for a special purpose, starting on the person's birthday. We think it's a fine idea—but why wait for a birthday? Why not start right now?

SIGN OF THE TIMES...

Timeplan

Judging by the number of Timeplan auto financing contracts we've processed so far this year, the 1955 models are going to out-sell any previous year. There's a reason for this, of course. 1955's crop of cars not only look good, they are good—undoubtedly the best automobiles ever built. And Timeplan is a good sound way to buy—through your dealer or your Bank of America branch.

? B of A Quiz Corner ?

DID YOU KNOW that you can transfer a B of A savings account from your branch to any one of Bank of America's 550 branches in California—without losing a penny's worth of interest? This is just one more of the many advantages of doing business with Bank of America.

Episcopalians Set Pre-Lent Dance; Pancake Supper

The Men's Club and Young People's Fellowship group of Trinity Episcopal Church, Ocean Beach, are co-sponsors of a Parish Dance to be held Friday evening Feb. 18, at Wallace Hall.

Richard Arnold, president of the youth group, said an invitation is extended to all teen-agers of this area to attend.

The Parish Dance has been arranged as a get-together for the young people of the church and their parents and friends as a final social event before the season of Lent.

Feb. 22, Shrove Tuesday, the Woman's Auxiliary is planning a pancake supper for all members of Trinity Church and their friends. Supper will be served from 5:30 to 7:30 p.m. in Wallace Hall.

This Guy's Glider Has An Engine—Seems Practical

Don Stevens, of Hemet, veteran glider pilot and former movie stunt man, will be one of the contestants in the Ninth Annual Pacific Coast Mid-Winter Soaring Championships at Torrey Pines Gliderport, Feb. 26-27, it was announced yesterday.

The two-day glider soaring contest above the cliffs north of La Jolla is co-sponsored by the San Diego Junior Chamber of Commerce and the Associated Glider Clubs of Southern California.

Stevens, who holds the world's glider loop record of 118 consecutive turns, has been a frequent competitor at Torrey Pines in the past, although never a major prize winner. He'll be back with his red and white Baby Bowler again this year—but with a slight difference.

He's mounted a target drone engine on the boom aft of the little plane's wing, which he uses to fly the ship from place to place rather than tow it with a trailer.

The 7 horsepower engine weighs only 18 pounds and turns a 26-inch propeller at 4300 r.p.m. The engine gives him plenty of take-off power and cruising speed of 40-45 miles per hour.

The gas tank holds three gallons and the rig takes no more than seven minutes to set up or remove.

Three Delegates To Attend Meet

Appointment of three delegates from Ocean Beach to the biennial constituency meeting of the Southeastern California Conference of Seventh-day Adventists to be held in La Sierra, February 20, was announced today by Philip B. Knoche, pastor of the local Adventist church.

The delegates will meet with ministers and other conference workers at 9 a.m. Sunday, Feb. 20, in the La Sierra Adventist church, Arlington, to elect officers and departmental secretaries of the conference for a two-year term. They will also hear reports of church activities and progress.

The Southern California Conference includes 67 churches, four academies, and a number of church schools. La Sierra College, the College of Medical Evangelists, and the Paradise Valley Sanitarium are also in the conference, which area comprises five counties. The conference was organized in 1915.

Delegates from Ocean Beach Adventist church who will attend the session are: Mrs. Thomas Mitchell, Cliff Knight and John Engels.

Real Estate In County Active

1954 Real Estate Sales, as shown by Security Title Insurance Company's Barometer, moved in an upward trend reminiscent of early 1949, beginning of the last previous period of strong activity. The chart traces sales since 1939.

Comment in the Barometer calls attention to this trend. "Reaching a New High for the Year in December, the Barometer Chart continues a steep climb from the low of 13 months ago. Thus is established an upward trend more spectacular in its consistency than that of 1949, a climb which continued for two

years before receding somewhat in mid-1951. Will this one last as long? Without the stimulus of a new "Korea"—not forecast and certainly not to be desired—the answer is probably no," says T. S. Thompson, who edits the publication. "More probable is a plateau at high levels, with the usual seasonal fluctuations, and no doubt certain others of a minor nature due to such economic adjustments as may be expected."

Real Estate Transfers numbered 2570—38% more than year-earlier figures. This makes December the high month of 1954, a phenomenon which doesn't appear before on the Barometer chart. And second-half '54 totals materially exceed those of

the first-half, and of second-half '53 as well. The year as a whole lagged 8% behind '53.

Trust Deed Recordings zoomed again to \$41 million—a new record in volume, exceeding previous highs of August 1952 (\$35 million) and November '53 (\$32.7 million).

December new residential permits in San Diego were up 58% from year-earlier figures. This leaves the total for the year down 22% in number from '53 but down only 11% in value. Nevertheless the volume was high, and by comparison with years other than '52 and '53, would be exceptional. Here as in transfers, the pace has been accelerating during the second-half year and the outlook for

the coming months is for continued high volume.

WHO'S NEW IN POINT LOMA

The J. L. Countrymans are finding Pointsettia street a fine place to live. They came here from Tucson.

Enjoying a lovely view from their brand new home are Mr. and Mrs. H. M. Baugs who are residing on Poe street. They made the move from Chatsworth Boulevard.

A majestic view of the Bay means a great deal to Mr. and Mrs. R. W. Willis who are now residing on Willow street in Loma Portal. They moved to their brand new home from Poe street.

Mr. and Mrs. P. L. Sandefer moved into their Kingsley street home from Clairemont. They find Loma Portal hospitable.

A view of the mountains increases the delight of Mr. and Mrs. C. F. Robinson who moved into their own home on Manor Way from Talbot street.

The Stanley Burnes are happy to have returned "Home". They have been away several years residing in Rancho Santa Fe. They are now living on Chatsworth.

When spare time presents itself to Mr. and Mrs. Wayne N. Rogers they enjoy final touches of settling their brand new home in Fleetridge. Mrs. Rogers teaches the sixth grade in La Jolla.

Finding the Peninsula Area a wonderful place for family living are Lt. (USN) and Mrs. A. K. Blough and youngsters, Larry, Debbie and Mary Ann. They come here from Los Angeles.

Extremes are expected when transfers come. But this time Lt. (USN) and Mrs. F. Bers, Jr. are enjoying their newest "extreme" it being the settling of their home on Roscamers after residing in Freeport, Maine. The weather was cold where they came from and the balmy air in San Diego is most pleasing.

Not much of a move... Coronado avenue to Wisteria Drive, but at least it was into their own home for Mr. and Mrs. R. V. Dawkins and daughter Carol.

Mr. and Mrs. David Reed are settled nicely in their spanking new home in Fleetridge. They moved there from Udal street. They have two children, David and Pamela.

After duty overseas Lt. C. M. Saunders is glad to be home again and he is enjoying his own garden on Meadowgrove Drive. Mrs. Saunders and daughter, Eva, are happy to have their Navy officer in the "house" again.

All the way from Lima to San Diego... that hometown is not in Peru but in Ohio, although coming such a distance is still quite a trip. Well worth it to be here as far as Mrs. E. A. Burns and children David, Steve, Jeff and Mimie are concerned for they are near their husband and Dad Captain Burns, who is stationed with the United States Marine Corps locally. The family is residing on Clover street.

Chula Vista was home but now Fleetridge is the place the Gerald Champ family have put out the "Welcome Mat". The family is getting great enjoyment from their wonderful view offered both from the patio and from within their lovely home.

TB Essay Contests Close February 24

The San Diego County Tuberculosis and Health Association today reminded local contestants entering the two \$150 tuberculosis essay contests that the deadline for entries is next Thursday, Feb. 24.

The annual contest is sponsored by the California Tuberculosis and Health Association and its medical section, the California Trudeau Society.

Rboert F. Heilbron, president of the local association, said that telephone calls and letters to the local offices requesting information indicate that San Diego County will have a record number of entries from contestants in this area.

"Anyone may enter the statewide contest," he said, "and one needs to be reluctant because he or she may not be a

doctor."

Heilbron said that one award will be made for a non-medical paper about some phase of tuberculosis. The other award will be for the best technical paper.

There are no restrictions on the length of papers or the number of essays one person may submit. Further information may be obtained from the San Diego TB Association, 3861 Front St., CY-6-2179.

More than 1,350 San Diego County children suffer from diseases of the heart and blood vessels.
